J. McCue Chosen '66 Valedictorian

Joe McCue has been selected as class valedictorian because of his outstanding academic abilities. Joe has been a student at AMA since September 1958.

Joe has made the Honor Roll fifty-nine consecutive times, believed to be a school record. Until the 1963-64 school session, grades were on a monthly basis, and the Honor Roll could be made eight times a year. Starting in September 1963, there were only six grading periods each year.

In addition to his academic ability, Joe was outstanding in the sports in which he participated. He made two varsity letters in football, four in baseball of which he is team captain and one letter in track.

'Bayonet', 'Recall' Take Honors At SIPA

At the Southern Interscholastic Press Association Convention held at Washington and Lee University, Lexington, Virginia, the AMA newspaper, BAYONET, and the AMA yearbook, RECALL, won top press awards.

The BAYONET took first place. This was the first time that the BAYONET received a first place since its beginning in 1908. The BAYONET received a score of 902, out of a possible 1000. The leading newspaper that received the trophy for the most outstanding school paper received a score of 932. Editor of BAYONET is Bill Mitchell and Lt. Rizzo is advisor.

The AMA yearbook, RECALL, a top winner in all national contests received a score of 985, out of a possible 1000. The RECALL was not eligible for a trophy since it has won the trophy in three consecutive years. Editor of the RECALL is Jack Prentice, and Maj. Charles E. Savedge is advisor.

Mary Kay Nelson Reigns As Pin-Up Queen XXII

Queen Mary Kay Nelson; Pin-Up Queen XXII.

Miss Mary Kay Nelson now reigns as the XXII Pin-Up Queen of Augusta Military Academy after she was crowned by Col. W. L. Gardner, superintendent, at ceremonies held in Memorial Gymnasium May 7.

Queen Mary Kay is a senior at Stuart Hall and has been a Service League member, a representative to the Honor Council three years, a member of the ELA Honor Society, the School Council, Dramatics Club and a senior counselor.

Miss Nelson, who will attend Washington University at St. Louis, Mo., next year, was escorted by Cadet Capt. Theodore R. Evans.

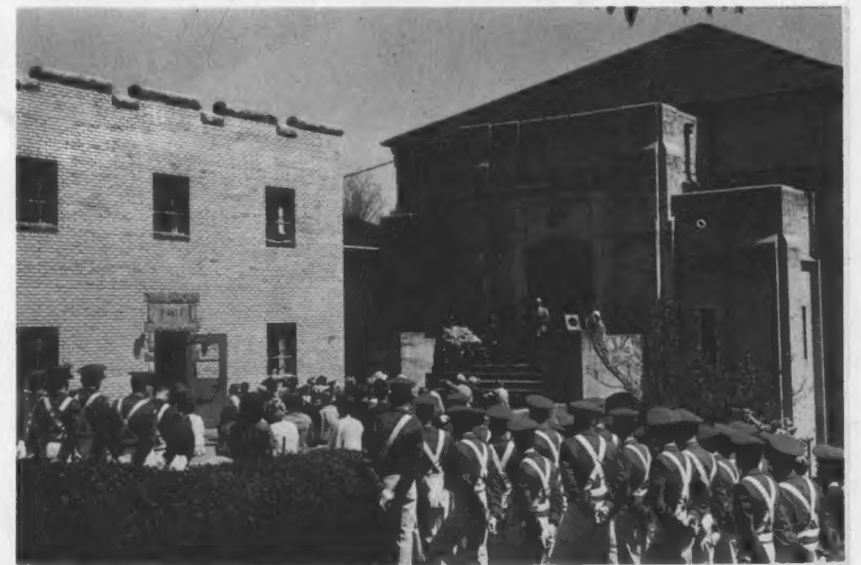

Miss Dee Duncan, a junior at Stuart Hall, served as first princess and maid of honor. She was escorted by Cadet C. Mitchell Toms. Escorted by Cadet Richard Lassiter, Miss Helen Marie Finney, a junior at Martinsville High School, served as second princess. Cadet Capt.

Clifford Skelton escorted the third princess, Miss Norma Murdock, a teen model at Kaufman's in Pittsburgh. Fourth princess, Miss Nancy C. Allen, senior at Stuart Hall, was escorted by Cadet Capt. James Bewley.

Cadets Bob Cooper and Dave Carissimi selected the spring colors of green, yellow and violet for the dance. Members of the sabre arch were Dave Darissimi, James Watts, Richard Downey, David Elms, Ron Morgan, Jack Hudson, Jack Campbell, J. N. Cannon, Frank Lohr, Jack Prentice, Gordon Bennett and Albert Smith.

The Pin-Up Queen dance climaxed a full day of activities at AMA. On Sunday, the Pin-Up Queen and her court had a special luncheon with the cadets and at 4 p.m. a joint Mothers' Day-Pin-Up Queen parade honored the court and cadets' mothers.

Founder's Day Services Begin Three Day School Festivities

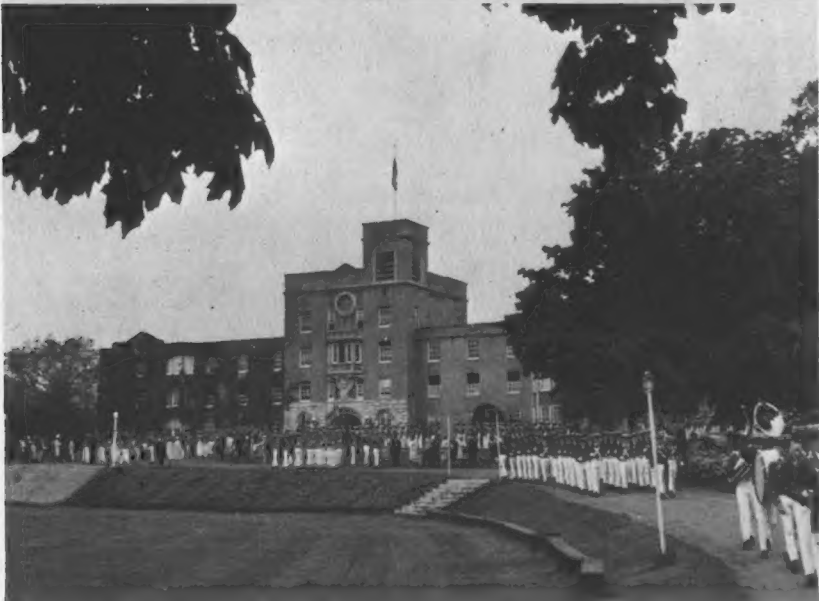

Cadets of the corps and guests of the school stand as Col. Gardner introduces the distinguished guests, Maj. and Mrs. O. A. Davis, in whose honor the new Junior School Barracks at left is dedicated.

Founder's Day ceremonies began when the corps of cadets marched to the Old Stone Cemetery for services honoring the late prof. Charles S. Roller and the late Gen. Charles S. Roller, Jr.

The Rev. Zbindin gave the invocation, and Col. J. C. McCue, Jr., dean of cadets, delivered the memorial speech. The ceremony ended with a twenty-one gun salute and triple taps.

The Sun Sets On An Empty Barracks

The above picture is full of life, but in a few short hours the words of the late Gen. Charles S. Roller, Jr. will again be heard, "Tonight the sun will set on an empty barracks."

From wind to wind, earth has one tale to tell;
All other sounds are dulled, and drowned, and lost in this one cry, "Farewell."

The day goes by like a shadow over the heart,
With sorrow where all was delight;
The time has come when we have to depart;
Then my Alma Mater, Good Night;

I'm sure no human heart goes wrong,
That's told, "Good-by—Gold bless you!"
"Good-by—God bless you."

Tears, idle tears, I know not what they mean,
Tears from the depth of some divine despair,
Rise in the heart and gather in the eyes,
In looking on the happy autumn fields
And thinking of the days that are no more;

(Bartlett's Familiar Quotations)

Maturity Builder

AMA has been known through the years as a builder of maturity. One of the constituting elements of this goal has been its excellent military environment. Spartan life not only makes a boy accept responsibility as a duty rather than a daily drudge, but also instills into him self pride. WHEN A BOY ACQUAINTS HIMSELF WITH FIRM IDEAS, SUCH AS THESE, HE IS TRULY MATURING.

Another aspect at AMA which induces maturity is the closeness of the faculty and students. To sit down with an older person who wants to listen to a younger person's problems is very important. This is an essential step toward admitting one's mistakes, a vital factor of maturity.

As long as these two components remain a part of AMA, the job of changing boys into men will never cease to exist.

Vacation Tips

With June 7 close at hand, the thought of going home is on the mind of all cadets. There is not a cadet in the corps who does not talk about what he will do when he leaves AMA.

Hopes are high that the world will be ready for the onslaught of AMA cadets as they depart AMA upon the completion of Finals.

It is so easy to ruin one's vacation by carrying fun to extremes. To make this summer a success and live to enjoy many more summers takes only a little thinking on our part. Only fools enjoy reckless fun and have no consideration of repercussions on himself, his friends and his family.

So, enjoy your vacation. Have a good time. But, remember to have fun the right way.

Farewell, Class of '66

To everything there is a season and a time to every purpose under heaven . . . a time to weep and a time to laugh; a time to laugh; a time to mourn and a time to dance.

During these days of commencement, we have mixed emotions; a time to laugh for the joy of completing one phase in our education; a time to weep for the separation from boys who have become men through the years that we have been associated at AMA; a time to be sorry for we are leaving our teachers who have been wise in giving us an insight into that glorious world of knowledge which is so challenging to the one who seeks; a time to be joyful for the accomplishing of a task set for us twelve years ago by those who sit in ivory towers and decree sometimes wisely and sometimes foolishly what youth should do.

I have watched each of you as you have accepted responsibility and become stronger, or rejected it and become weaker. We must grow or we diminish in size. Some of you will become giants; some pigmies and some ordinary men.

To the giants be all praise; to the ordinary men our gratitude for faithfully performing the necessary tests of the world; and to the pigmies, our pity that they have become thus;

May the Maker of all be merciful to each of you and bring to fruition your greatest dreams.

Col. W. L. Gardner, superintendent

Be Proud of Augusta Military Academy
Your School, My School
Our School

Dear MIKE MILITARY,

Next year I will be a senior. Since I have been at AMA, seniors have told me to study now before it is too late. No matter how much I try to convince myself of this, it never works for more than a week.

Because of my grades and because of the closeness for my entering college, I am really worried. How can I stress upon myself the need for study?

WONDERING

Dear WONDERING,

This need for studying must be adopted by the student himself. Buckle down and convince yourself that you must study. Good Luck.

Dear MIKE MILITARY,

I am a senior and will be graduating June 7. I have a problem with my problems.

Most of the seniors in my company are having a reunion at the beach the night after school closes. I think that I could go, but my parents feel that I should not. Who is right?

TIED

Dear TIED,

Parents always know what is best for their children.

Dear MIKE MILITARY,

My heart is singing the blues. The girl I dated three years has suddenly shot me down, and for no reason at all.

Everything was going great. Then, slam!! I am lost. The problem is this. How can I win her back? I am

sure I still love her and want her back. Please Help me.

DESPERATE

Dear DESPERATE,

Maybe your true "Love" has found someone new. Sorry, son, you lose.

Dear MIKE MILITARY,

Will you please help me solve a problem?

PONDERING

Dear PONDERING,

Yes.

Dear MIKE MILITARY,

I have a problem concerning my girl J. I wrote her once a day, but I received a letter from her a week or so later.

In all her letters, she tells me that she is not dating anyone else. Over spring vacation I found out she was dating someone else. I decided to stop writing. Was I right?

ME

Dear ME,

Ask in #9 in the tower.

Dear MIKE MILITARY,

During the summer months I play baseball to stay in physical shape. Our first game this year is 6:00 p.m. June 7.

We are dismissed from school about 12:00 noon. Technically speaking, one cannot squeeze a ten hour drive into six hours.

I can either fly home with my father to make the game or ride home in the back seat of our car

with my girlfriend and forget about the game.

I enjoy playing baseball, and the team will be counting on me; however, I haven't seen my girl in sixty-four days.

If you have any helpful hints, clue me in fast because time is running out!!!

CONFUSED

Dear CONFUSED,

There is an entire team counting on your flying but only one girl counting on you to ride back.

Dear MIKE MILITARY,

I am a senior that feels badly about leaving AMA. In my four years at AMA, I have done many things of which I am sorry for doing.

Whether I would like to admit it or not, AMA has made a better person of me. I feel that I owe AMA something and cannot figure out what I can do to repay this debt. Please help me.

Blue Streaks Take Second In VMSL

First row, left to right: Stillwagon, Carter, Botcheller, Coach Clymore; Second row: Kincaid, McCue, Prentice; Third row: Zeler, Bachman, Weindlaugh, Wright; Back row: Yoemans, Witzel, Armentrout.

The AMA Blue Streaks turned in another successful season by winning eight games and losing four. Three losses were by one run margins which could have gone either way. The Blue Streaks finished the season in second place in the Virginia Military School League.

The one-two power punch was supplied by Joe McCue, the leading hitter, and John Zehler, a close follow up.

The Blue Streaks had both perfection and depth in their pitching

staff with Harry Kincaid, the mound ace, picking up four victories. Nelson Weidenbaugh and John Botcheller provided depth in the staff with each picking up two victories.

Overall the team was well balanced and throughout the season was a strong contender for first place. With a few breaks the Blue Streaks would have recorded an undefeated season.

Under the coaching talents of Ed. Clymore, the baseball team during the past two campaigns have turned in a 16 and 10 record.

Records Broken By Track Men

Although the track team cannot boast a winning record, the brave cadets who have trained diligently since March rewarded themselves with many personal victories. Several cadets broke school records, including Rosie Stillwagon, who surpassed his previous school mark in the shot put in every meet this season. The new school record is now 51' 5-1/4".

In the grueling mile run, Will Chatham broke Al Amrhein's ('65) record of 4:48.0 with a time of 4:39.7. Before he became ill, Charlie Kiser set a new mark in the 440 yard dash at :53.9 seconds, bettering the time record held since '61 by Vandergriff.

OTHER CONTRIBUTIONS

Many other cadets made significant contributions to the track team. Among these were Rick Welch and Bob Booth in the sprints and dashes. In the middle and long distances, Frank McClung, Greg Wolf, Frank Roach, Bill Hegamyer and John Pierpoint contributed depth to the squad. Bill Cason, Roy Props, Tim Hopkinson and Larry Thiel ran the hurdles.

In the field events Jim Stillwagon was helped by Tim Hopkinson, Bob Booth, John Hosken, Larry Thiel, Joe McCue and Charles Robbins. The field events provided the majority of the points earned by the team.

Season Ends With 3-5 Record For Varsity Lacrosse Team

First row, left to right: Smith J. C., Smith J. R., Amelo; Second row: Murdock, Rimmel, Brostek, Beatty, Sively; Third row: Bewley, Dogoli, Tucker, Hosken, Mathias, Dishner, Clintsman; Fourth row: Peirano, Spofford, Smith A. L., Stamm, Declet, Dyke.

AMA's varsity lacrosse team completed the season with a 3-5 record. Hopes for the season had been high, but the stickmen could not rally to get the crucial goal. Three of their losses were by one goal; two by two goals; two of them in overtime play.

Returning lettermen and experienced new cadets formed the nucleus of the squad. Captained by veteran defenseman Charlie Smith and former Catonsville, Maryland, attackman Jim Smith, the Blue Streaks were a hustling and determined team even in defeat.

Goalie Rocco Amedeo did an outstanding job and finished the season with ninety saves in seven games. Reserve goalie Gavin Murdock kept Amedeo on his toes.

Co-Capt. Charlie Smith, "Mickey" Dishner and Herb Walling jelled to give Augusta one of the better close defenses in the state while holding opposing attacking units to five goals per game. In reserve were Jim Bewley, Wes Beatty and fearless Pete Dogoli.

OTHER STATISTICS

The two midfields were led by face-off men J. C. Hosken and Hank Brostek. Bob Mathias and Jeff Rimmel were the aggressive spark-plugs in the mid-field with returnees Tom Tucker and Frank Spofford, Jerry Peirano rounded out the group.

Co-Capt. Jim Smith, Eddie Stamm and Chuck Sively formed the Streaks potent close attack. Dick Clintsman, who joined the squad for the final game, was a valuable asset. Ronnie Harris, Al Smith and Ralph Declet formed a valuable second unit.

Jim Smith with eighteen goals and eight assists led the scorers, followed by Chuck Sively with fifteen goals and one assist and Eddie Stamm with seven goals and eight assists. J. C. Hoskens led the mid-fielders with five goals; Jeff Rimmel had one goal and one assist. Scoring one goal were Tommy Tucker, Hank Brostek and Dick Clintsman.

Clymore Named Basketball Coach

Col. M. H. Livick, assistant superintendent and former varsity basketball coach, has recently announced that he will resign as head basketball coach at AMA. The position has been offered to Coach Ed Clymore, who has accepted the new position.

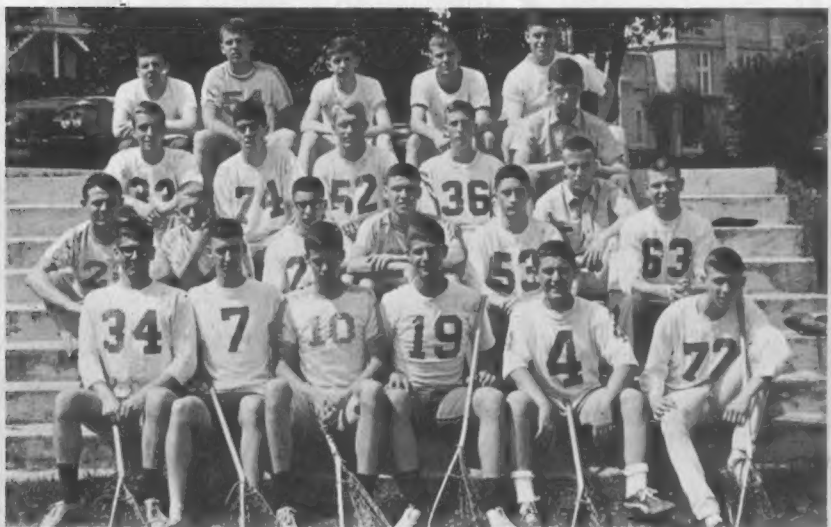

Coach Clymore has been at AMA two years. Besides teaching the fifth grade, Coach Clymore assisted with football, is baseball coach and J-V basketball team.

Duffers End With Perfect Season

The AMA golf team turned in a perfect season, no wins and six losses. In the tournament the AMA duffers finished fourth since four teams were entered. Jim Kime, Steve Kincheloe, Scott Wooten, Jeff Pease, John Walz and Jim Anderson, made up this year's team.

J-V Lacrosse Team Has Winning Season

For the first time in three years AMA's J-V lacrosse team had a winning season. The team defeated Charlotte Hall 3-1 in the first game, lost to Woodberry Forest in the second game, 3-2, defeated Woodberry Forest 3-1 in the third game, defeated Saint Christopher 13-2 in the fourth game and tied with Charlotte Hall 2-2 in the final game.

Pictured are the members of the J-V lacrosse team. They are (front row, left to right) John Pallatin, Wayne Gwaltney, Ned Tuthill, Mark Marcantoni, Nickie Syropoulos and Dale Wegner; (second row, left to right) Warren Flowers, Joe Jusceli, Marc Aronson, Bob Egan, Jack Campbell and Bill Mangus; (third row, left to right) Wayne Willis, John Carradonna, Jim Pressly, Tim Munson and John Carson; (fourth row, left to right) Joe Wright, Richard Starr, John Morgan, Chuck Gullette, Philip Brown and Bob Cooper.

Girl Of The Month...

And what is so rare as a day in June? If May is filled with the beauty of nature, June is bursting with beauty, for this is the month that all comes to life.

Chosen to represent the month of June as AMA's Girl of the Month is Miss Kathy Soper of Prince Frederick, Maryland. Kathy is a senior at Calvert County Senior High School and enjoys her schoolwork muchly for which her grades show.

Kathy was voted Most Talented in the senior class and is a member of the Pep Club. She appeared at the Steel Pier in Atlantic City to perform in tap dancing.

AMA Cadets Take Pride In Yearly School Dances

These cadets take five minutes to pose for a picture, after a busy day decorating the gym for the Pin-Up Queen dance.

Cadets at AMA take much pride in the dances held throughout the year, especially the two big dances toward the end of the school year, the Pin-Up Queen Dance and the Final Ball. These dances require much planning in advance and much work on the part of each cadet. When cadets are asked to volunteer for the decorating of the gymnasium, they come from all companies, full of energy. At times one would think that he is attending a circus when the cadets begin their climbing and squeezing between pipes. At last when the final decorations are completed, the cadets sigh a sigh of relief and take pride in a job well done. In the picture above are a few of the cadets who helped decorate for the Pin-Up Queen Dance: (sitting, first row) Frank Lohr, Jim Watts, Dave Elms (Baldy), Jack Campbell, and Pete Dyer; (sitting, second row) Ted Evans and Cliff Skelton; (standing) Jack Hudson, Jack Prentice, Rich Downey, Mickey Toms, Dave Carissimi, Jim Tessada, and Vic Gomez.

Class of '66 Prophecy

Years come and go. Those who were once members in the Class of '66 at AMA are now scattered about the world, trying to make the best that life can offer them.

During one summer--many years after graduation--I toured the United States and learned many interesting facts about the members of the Class of '66.

VIC ADAMUS opened a clinic for mother squirrels because of his previous experience and training of young squirrels. WES BEATTY is still struggling to teach that girl he found the Southern accent. TOM BECKER spends his long hot summer nights at the Hilton Terrace. TOM BEHRENDT is still trying to locate Capt. Flanagan in order to join his Debate Team. During the summer DAVE BERTZ visits Makaha Beach and always takes his big gun board.

Still managing his summer camp for boys from ages seven to twelve is JIM BEWLEY. As yet, FRED BOVEE has not found a doctor to operate on his nose, but he is still hoping that medical science will discover a new nose-shortening method. After graduation, MATT BRADBURY returned to AMA for another year, and nobody has heard of him since. After FORBES BRAITHWAITE was offered scholarships at Harvard, Princeton and Yale, he became confused and is trying to decide which one to attend. BOB BRISTOW went to Spain, looking for Capt. Lago, and his whereabouts are not known.

HANK BROSTEK is still wearing a cast, but plans to give Bull Lessons once the cast is off. PETE BROWN became so used to the blacktop at AMA that he went into taring roads. JOHN CALABRISI has been trying for years to get on the program "The Price Is Right" and the outlook still looks dim. After graduation from college, BUZZY CANNON went into the business of making boxes for meat. DUMMY CARDOZO is still training bears.

BILL CASON joined Sacks, and the two have their own Tiger racing team. SPEEDIE CHATHAM is still trying to surpass his idol, Jolly Green Jerry. Still riding about on his Harley Pig is LITTLE MAN CLARK.

Still making history is RACCOON CLINTSMAN, the first animal to be accepted in college, "Illinois". After graduation, RICH CONNELLY prepared himself for the debut onto the college scene, and is now still shining his little Silver Star. (What did you say, Rich?) JOHN COOK joined with Arnold Palmer and shot a Big "98". BOB COOPER, having taken up girl watching while at Miami of Ohio, continues to do so and is still building up his legs. MIKE CRAIGE is still existing and continues in his business, Nothing.

A Senior's Outlook Of Graduation

In a few days, the seniors will reach the climax of their high school career. To them, graduation may mean the termination of many years of schooling. But, the real meaning goes far beyond this. The completion of their high school academics is not the ending, but the beginning of the end. Taking with them all the basic skills that they have learned in high school, the seniors will either begin years of intensified study in their chosen fields of endeavor or begin years of work in their chosen occupation.

When a senior leaves his Alma Mater, he is filled with much sentiment. AMA's seniors of '66 are certainly no exception. As AMA seniors meet the world, they will hold as memories the many experiences encountered while at AMA. Many will return to relive--for a short time only--their happy times at AMA.

On this memorable occasion the graduating Class of '66 extends its appreciation for the opportunity that AMA has given the members to learn and to be better prepared for future life.

Class of '66

HMMMM?????

That's one SMA cadet we won't have to worry about.

The Battle of the Bulge!

Oh, Oh, it's wet again!

I say Popeye! It's my TV!

I get my hair done next, "Blech"!!!!

If I could only pull it off, I'd have the top to my snowman.

I guess I'm the only one on the page they can't say anything about.

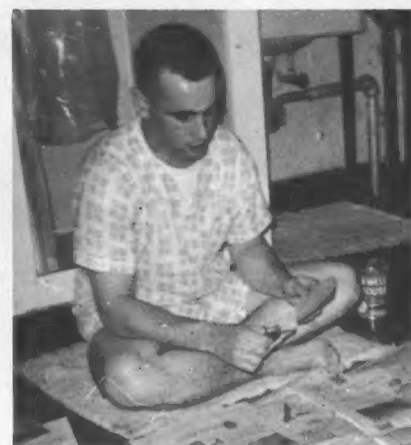

A CANDID VIEW OF SENIORS

They say here that Florida's awful nice this time of the year, Chuck?

I thought you said, "Put the NAIR on my head!!!"

Oh, Goody! I'll be able to get twelve dollies out of this spread.

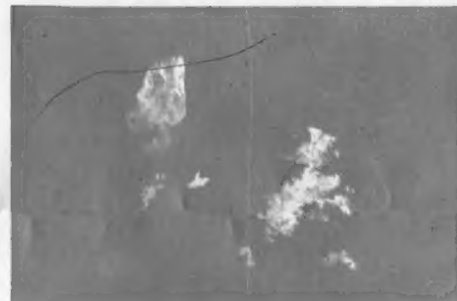

It HONKS, mommy!!!

Why look what bracing did for me!

Arise, my son, and walk.

HAS ANYONE SEEN TORCH?

Farewell, My Dear Seniors, Farewell

By Lt. Anthony Rizzo

Farewell, my dear seniors, farewell—
And guard your footsteps day to day.

Farewell, my dear seniors, farewell—
In class no longer shall we meet;
A new horizon must you greet.

Farewell, my dear seniors, farewell—
Our joys and our sorrows we did share
Though our differences we did air.

Farewell, my dear seniors, farewell—
Wherever you may go, whatever you may do,
Goals you must set and then pursue.

Farewell, my dear seniors, farewell—
Take along all things you did learn
And make the future your concern.

Farewell, my dear seniors, farewell—
With outstretched arms, the world awaits you,
Ready to give you what you are due.

Farewell, my dear seniors, farewell—
When reminiscing you might be,
Once in awhile remember me.
